

## PTFA Newsletter

Dear Parents and Carers,

The PTFA would like to say a huge “thank you” to Rachel and Jason (Daisy’s parents) for allowing us to use the facilities at St. Peter’s church to host an evening meeting for parents. We welcomed the opportunity to talk to and obtain feedback from parents who are not available to attend meetings during school time.

In church this week, Barry spoke to the children about Pentecost and it was a joy to see them listening attentively and to see how impressed he was with the answers to his questions.

### Summer Fair Volunteers/Stalls

We would like to thank all those parents/carers who have so far contributed to or offered to help with the Summer Fair. There are still some stalls that need people to run them so if you missed the sign- up sheets in the playground, you can see what is still available via the “what’s app” groups or you can approach any committee members for information. If you know of any external vendors who would like a stall, please email the PTFA.

Please do come forward, even if you can only spare an hour because without your support, we cannot run the event.

Meetings with stall holders to discuss budgets and how you wish to run your stall will be held in the w/c 5<sup>th</sup> June.

### Non-Uniform Day

To help stock the bottle tombola, there will be a non-uniform day on Friday 8<sup>th</sup> June. We would be grateful if you could send your child to school with a bottle, it can be shampoo, shower gel, soft drink, wine etc. Bottles should be left with the school office/reception. Also, any voluntary contributions would be gratefully received.

### Programme Design Competition

Calling all budding artists, we would like the children to design the front and back covers of the Summer Fair programme. A winner will be chosen from each year so get your pens and pencils out over the half term holidays. The deadline for submissions is Thursday 7<sup>th</sup> June.

### Summer Fair Donations

We are still collecting for the class hampers, the boxes are in the playground at drop off/pick up times and the class reps have the lists of what is being collected. There is also hopefully going to be a chocolate tombola if we get enough chocolate so please add a bar to your trolley next time you are in the supermarket.

As a fun aside, in the playground from 5<sup>th</sup> June there will be a chance to win a lovely teddy. Pay 50p to guess the name of the teddy and if you guess correctly, he’s yours. He will be going into after school club so everyone has an opportunity to win. The winner will be announced When?

### Consent Forms - GDPR

The PTFA urge all parents to return all General Data Protection Regulation forms by 25<sup>th</sup> May 2018. Under the new GDPR, we are obliged to delete from our database the details of anyone who has not consented to us keeping their information. Without your details, we can no longer send you copies of the newsletter or include you in “what’s app” groups or any other communications so if you want to be kept up to date with what the PTFA is doing, please complete the forms.

### Annual General Meeting (AGM)

The PTFA AGM will be held on the 15<sup>th</sup> July 2018. Please can all parents and carers put the date in their diary as we would like as many of you there as possible. At the AGM, all members of the committee stand down and all the positions on the PTFA become available. If you would like to be considered for any position in the PTFA please let a member of the committee know as soon as possible.
