FRIDAY 8TH FEBRUARY 2019

## Important Diary Dates Epiphany Term 2019

Our school councillors enjoyed the opportunity to meet Mr Gareth Thomas MP when he visited our school today. He was interested to find out how the school council represent the views of their class and how the children are learning about democracy. The children were excited to meet a Member of Parliament and were invited to visit the Houses of Parliament to see where Mr Thomas represents the people of Harrow and learn about how national decisions are made.

### Parent prayer group

Thank you very much to Mrs Gardner for getting our family prayer groups (alternate Mondays 9am and Wednesdays 2:15pm) off to a flying start. We are aware that some parents are unable to attend the group and we wondered whether it would be helpful to have a prayer box in the entrance hall, so that you can write down anything you might like us to pray about for you or your family. Your prayer would then be said at the next prayer group. You do not need to add your name to the prayer unless you would like to. Please do ask Mrs Gardner or Mrs Tyler if you have any questions about this. Please see the message in the red box about next week's prayer group.

### Worship

This week we have thought about Jesus' words, "Love your neighbour, as yourself". We discussed who our neighbours are at school, home and throughout Harrow. We discussed showing care for our friends and family.

### Family Prayer Group on Monday 11th February - 9am at school

It has been wonderful to welcome many of you to the weekly family prayer group. As well as supporting our school, it's been a wonderful way to meet other parents and develop friendships across the year groups. It's a reminder that one of the great strengths of our school is our rich diversity which means that a number of us may feel more comfortable praying in our own language. So this coming Monday we would love to invite anyone to join us who would like to pray in their own language for our school community. We will begin with coffee and doughnuts from 8:50am. We will share items for prayer in English but then would love for people to pray for the school in their own language! All done by 9:45am. We look forward to seeing you there.
