

Bonjour les enfants et parents des classes trois!

Week 3 - 15/06/20

We are so proud of our Yr3 pupils who have between all of you accumulated over 1000 medals on Languagenut! We are hoping that you are enjoying the vocabulary and grammar you are learning.

Our seasonal song is [Quand c'est l'été](#). Please sing along and dance to it at every opportunity and certainly before you start French work to put you in the mood.

Lundi 15 juin 2020 - Monday 15th June 2020

Let's revise our pure vowels by singing the song a, e, i, o, u a new version is enclosed as a mp4. Could you explain to your parents why we colour vowels in French? It's to make sure that we pronounce them moving our lips to have a clear pronunciation; the colour rhymes with the sound the letter makes and is also its name, as in the enclosed activity sheet.

Let's have fun singing one of our favourite songs: [J'aime les fruits](#) . Enclosed is a sheet with the lyrics that you can colour-code. The answer sheet is also enclosed so that you can check when you have finished. You might be wondering why some of the vowels are not coloured. It's because those specific vowels don't make a pure vowel sound and we will discover in the future why. I wonder whether you remember lots of other codes we are going to revise. Colour code your sheet according to what you remember.

Mardi 16 juin 2020 - Tuesday 16th June 2020

We would like you to carry on your French learning with the bilingual course called [High-Five](#).

If you haven't done so yet, please ask your parents to create an account through the above link, the enrolment is free.

Remember to always have parental supervision when you are on the internet.

Let's go and visit a French supermarket by watching [Video Lesson 8- Les fruits](#) on High Five. Remember that you need to create a free login under adult supervision if you haven't done so yet. For those who have already watched it, do you remember which fruits were mentioned? Do you know any more? This is a really fun French nursery rhyme that French children say like Pomme, pêche, poire, abricot.

Which one of those fruit is the odd one out? It's the abricot ! Pourquoi ? Why? Because it's the only one in this list that is a masculine noun, the others are all feminine. How could you guess that it is the only masculine one? Because unlike the others it hasn't got an e at the end of the word. Do you remember why I underlined the word "abricot"?

I have found two versions of this song:

1. [Pomme, pêche, poire, abricot](#)
2. [Pomme, pêche, poire, abricot](#)

I wonder which one you prefer?

Reading the [Notes for Teachers 27](#) can help you with deeper understanding and learning before you do the [Activity Sheet 8a](#), please print it in black and white.

Mercredi 17 juin 2020 - Wednesday 17th June 2020

Listen to the [Radio Show 8](#) to revise yesterday's words and do [Activity Sheet 8b.](#) Please print the Activity in black and white.

Can you find similarities between what Mathilde and Mark are discussing and the fruit songs mentioned previously?

Jeudi 18 juin 2020 - Thursday 18th June 2020

Today's challenge is to read the [Lesson Transcript 8](#) and on your own, you can read it aloud or ask a member of your family to be Emma and you can read Mathilde's words to teach Emma.

Extension: if you wish you can write and record your own script about French fruit, especially using adjectives of colour and size!

I will give the answer to this joke to every child who has sent some work in to french@stjeromebilingual.org

"Quel est le fruit préféré des insectes ?"

Here is a clue: It's in this song too, as well as in the previous one: [Apprendre les fruits avec les Patapons](#)

Vendredi 19 juin 2020 - Friday 19th June 2020

On Sunday, it's going to be Father's Day both in France and England. Listen to our family song you learnt last year: [J'aime Papa, j'aime Maman](#). If you are drawing and writing a card for your father or any other male member of your family, you can write: J'aime Papa or follow J'aime with the person's name to say "I love Daddy" or your special person. Bonne fête des pères!

If you wish to bake your father a traditional "Tarte aux pommes" for father's day, you can watch a French speaking child making one through this link: [Tarte aux pommes pour les enfants](#).

You can send any of your work or questions to french@stjeromebilingual.org

We hope you will enjoy this week's activities! Have a good week!

Salut, au revoir et à bientôt, Madame Chadier
