

Bonjour les enfants et parents des premières classes !

lundi 6 juillet 2020

You must know our seasonal song [Quand c'est l'été](#) and our weather song [Quel temps fait-il aujourd'hui ?](#) by heart by now ! They contain so much vocabulary and so many expressions that are very useful!

In school we are taking regular 5-minute fitness breaks thanks to the generosity of the Five-a-day team. We are thrilled that we can share with you these resources to use at home to take fitness breaks.

You will have been emailed a letter with the login for you to use at home at your convenience by clicking the link : <https://5-a-day.tv/>

To start learning saying your right from your left, watch and move to the Robot French fitness routine playing to the No Subtitles, so that your child concentrates on the visual movement of the instructor and the French instructions through listening, not reading words.

Lundi 6 juillet - Monday 6th July 2020

This week we are going consolidate our learning of the weather and the season using the BBC School Radio resources to be found on this site: [French: 5. La pluie et le beau temps \(Good and bad weather\)](#)

[CLIP 17:](#) Listen to the quiz [17. Le quiz de Radio Labo - click to download mp3](#) and listen to the explanation of how to form the negative in French like in j'aime (I love/I like) and je n'aime pas (I don't like/love.)

In our a, e, i, o, u song, draw a tick after the sentences of the food items that are said to be liked and a cross against the ones that are not liked. The first one is done for you.

J'aime le chocolat. ✓

Je n'aime pas les œufs.

J'aime beaucoup le riz.

Je n'aime pas la laitue.

Mardi 7 juillet 2020 - Tuesday 7th July 2020

[CLIP 18:](#) Now we have another weather song to introduce to you:

[18. La chanson: 'Après la pluie le beau temps' - click to download mp3](#)

At the bottom of the page, there is an animated version of it. Read along and spot all the words you know. You can draw and label the different words you hear and understand. We can't wait to see your drawing.

You can refer to the enclosed transcript and translation if you need help with the meaning.

Mercredi 8 juillet 2020 - Wednesday 8th July 2020

[CLIP 19](#): The next recording has three sections:

1. A ping pong game, [9. Game: 'Jeu de ping-pong' - click to download mp3](#) when you say a sentence and somebody else repeats your sentence and adds another sentence, as if you were playing ping pong.
2. Unusual weather phrases for you to learn about and illustrate as suggested in the recording. I wonder which one you find most "rigolo"(funny) ? We can't wait to see your illustrations. Does your family know of any funny weather sayings in English or your home language(s)?
3. A pronunciation game for you to repeat after the presenters, like a tongue twister. Why don't you ask an adult to repeat the tongue twister too? Let us know if it's funny. You can record yourselves and share the recordings with us.

Jeudi 9 juillet 2020 - Thursday 9th July 2020

[CLIP 20](#): [20. L'histoire: 'Clara et l'arc-en-ciel' - click to download mp3](#)

Is a lovely story for you to listen to and answer the following questions:

What weather is it? Who doesn't like that weather? Who likes that weather? What changes in the story?

Why is the girl happy at the end of the story?

If you are finding it too difficult, you can always read along with the transcript and if needed check the translation.

Vendredi 10 juillet 2020 - Friday 10th July 2020

We are a week away from wishing you "bonnes vacances" !

We would like you to look back at all the French learning that you have done in Yr1 by visiting the [Yr1 St Jérôme Pinterest Board](#). What have been your favourite songs? Which stories have you enjoyed? Please share your thoughts and feelings with us by sending us an annotated drawing of what you have learnt in French this year to french@stjeromebilingual.org.

We hope you will enjoy this week's activities!

Have a good week!

Salut, au revoir et à bientôt, Madame Stirling et Madame Chadier
